Carbon Group is pleased to announce that it has acquired VJMoto (Lewisville, TX). VJMoto specialises in sales, restoration and service of vintage Japanese motorcycles. The company also carries an extensive range of spare parts.

Founded by owner Joe Whelan in 2012, VJMoto has earned itself a superb reputation in the Southwest, built on customer service, quality and detail.

From 1 April 2015, VJMoto will become Carbon Garage (Dallas) and plans to relocate to a new store in the Dallas region during spring, which will include a boutique café, showroom and modern workshop.

We welcome VJMoto to the Carbon Garage family and look forward to serving our new clients in North America.
